

To whom it may concern,

Lightning eMotors wishes to submit a Manufacturer Identification form per 49 CFR part 566. The residence address of Lightning eMotors is:

815 14th Street SW, Suite A100, Loveland, CO 80537.

This submission is an update to a previous form submitted under the name Lightning Hybrids LLC on July 14, 2017. Lightning Hybrids LLC has changed its name to Lightning eMotors Inc.

Lightning eMotors wishes to identify itself as an Intermediate Manufacturer and Alterer of:

- Multipurpose Passenger Vehicles: passenger vans and cargo vans with GVWR 6000 to 14000 lbs. Intermediate vehicle manufacturer/ Vehicle Alterer- replacing Internal Combustion Engines with electric powertrains.
- Trucks with GVWR 14000 to 26000 lbs. Intermediate vehicle manufacturer/ Vehicle Alterer- replacing Internal Combustion Engines with electric powertrains.
- Buses with GVWR 14000 to 62000 lbs. Intermediate vehicle manufacturer/ Vehicle Alterer- replacing Internal Combustion Engines with electric powertrains.

GVWRs have been changed from their original range of 8500 to 33000 lbs. for all vehicle types.

Please update Lightning eMotors Inc. in the Manufacturers Information Database.

Sincerely,

Brian Dean Johnston
Lightning eMotors, Inc
