Re: Update to MID 1034 Hyundai-Kia America Technical Center, Inc. (HATCI)

Dear Ms. Carlson,

Please accept this letter submitted by Hyundai America Technical Center, Inc. (HATCI; also DBA "Hyundai-Kia America Technical Center, Inc.") (MID: 1034) as an authorized representative of both Hyundai Motor Company (HMC) and Kia Corporation (Kia), as notification of certain revisions to vehicle lines and contact information listed under MID 1034.

HMC and Kia are expanding the type of vehicles within their lines made available to the public. The type of vehicles that will be made available include:

<u>Vehicle Type</u>	<u>GVWR</u>
• Passenger Car	2,500- 7,000 lbs.
• Truck	4,000- 80,000 lbs.
• Multipurpose Passenger Vehicle (MPV)	3,000- 9,000 lbs.

HMC model lines include:

Hyundai: Accent*, Azera*, Elantra, Elantra GT*, Elantra HEV, Elantra N, Elantra Touring*, Entourage*, Equus*, Ioniq*, Ioniq 5, Ioniq 6, Kona, Kona Electric, Kona N, Nexo, Palisade, Pony*, Santa Cruz, Santa Fe, Santa Fe HEV, Santa Fe Sport*, Santa Fe XL*, Scoupe*, Sonata, Sonata HEV, Tiburon*, Tucson, Tucson HEV, Tucson PHEV, Veloster*, Veloster N*, Venue, Veracruz*, Xcient, XG 350*, XG300*.

Genesis: G70, G80, G90, GV60, GV70, GV80

Kia model lines include:

Kia: Amanti*, Borrego*, Cadenza*, Carnival, EV6, EV9, Forte, Forte Coupe*, K5, K900*, Niro Electric, Niro HEV, Niro PHEV, Optima*, Rio, Rondo*, Sedona*, Seltos, Sephia*, Sephia II/Spectra*, Spectra*, Spectra LD*, Sorento, Sorento HEV, Sorento PHEV, Soul, Soul EV, Sportage, Stinger*, and Telluride.

* Discontinued model lines

Contact information for HATCI has been updated within the Manufacturer's portal.

Please contact me with any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Ric Willard", with a large, stylized loop at the end.
