RE: Final Stage Manufacturer

Dear Administrator;

In accordance with 49 CFR Part 566, Manufacturer Identification, Bergkamp, Inc. is submitting information to update our current registration with NHTSA.

Although our manufacturing location has not changed, the address for this location has:

Previous Address

Bergkamp, Inc.
500 E. Schilling Rd.
Salina, KS 67401

Current Address

Bergkamp, Inc.
3040 Emulsion Drive
Salina, KS 67401

Bergkamp no longer manufactures trailers, but is a low volume manufacturer of Micro Surfacing and Slurry Seal Paving Equipment, Slurry Applicator Equipment, and Pothole Patching Equipment. The above equipment is permanently mounted to an incomplete truck or trailer chassis. Product models include:
