RE: CFR Part 566, Manufacturer Identification

Owners of the Company: Arthur Joel Nuttall and Stacy Marie Nuttall

City of Incorporation: Artec Industries LLC. is incorporated in North Salt Lake City, UT. USA

Product Manufactured: Artec Industries LLC. manufactures aftermarket vehicle components for off-road vehicles as well as trailers used by vehicles in principally off-road applications. We use materials and components sourced through local and national U.S. suppliers. Our metal components are fabricated in house using our laser, press-brakes, machining equipment, and welding processes. Trailers are delivered as completed units, with optional interior components the end user can purchase and install in the future.

GVWR: The gross vehicle weight ratings (GVWR) of our products range from 500 lb to 5,000 lb

Signed:

A handwritten signature in black ink, appearing to read 'A. Nuttall', written in a cursive style.
