Mr. Coleman,

A letter from our corporate office in Quincy, IL was sent to the NHTSA on April 27, 2004 requesting registration. I noticed that as of today, we are not showing as being registered.

I have attached the original letter for your review.

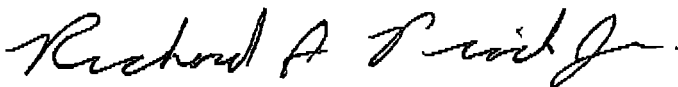

Knapheide Truck Equipment Company - Midsouth is a final and altered stage motor vehicle manufacturer in the state of North Carolina. We complete chassis cabs and cutaway chassis by installing service bodies, dump bodies, platform bodies, crane bodies and related accessories. Trucks range in size from 5000 GVWR to 65,000 GVWR. We have two locations in North Carolina as listed below:

Knapheide Truck Equipment Company - Midsouth
4681 Marracco Dr.
Hope Mills, NC 28348
(The former address was 416 Glidden St., Fayetteville, NC 28348)

Knapheide Truck Equipment Company - Midsouth
3572 Fieldstone Trace
Midland, NC 28107

Please send me written confirmation that our company has submitted the required Manufacturer Identification information and that both North Carolina facilities are now registered with NHTSA.

Sincerely,

Richard A. Pioch Jr.
Operations Mgr.
Knapheide Truck Equipment Co. - Midsouth
