Knapheide Truck Equipment Company Southeast – Largo
6782 118th Ave North
Largo, Florida 33773

KTEC-SE would like to enroll in the NHTSA program.

We final stage units that range from 5,000 GVW up to 65,000. The bodies we install include Platforms, Service Bodies, Crane Bodies etc.

We are an authorized Ford bailment pool and the majority of our work performed here is on Ford chassis ranging from F-250's up to F-750's We also perform upfits for Chevrolet, Hino's, Sterlings, etc.

I am requesting written confirmation from NHTSA that my company has submitted the required information and is now registered.
