EMIRA MODEL V.I.N. INFORMATION

The Vehicle Identification Number (V.I.N.) is a unique 17-digit number used to identify the car for licencing, warranty, spares ordering and administrative purposes.

The V.I.N. comprises 17 characters, coded in accordance with European Economic Community (EEC) directives, and with those of the National Highway Traffic Safety Association (NHTSA). For change point identification in Service Notes, Service Bulletins and Service Parts Lists.

Note that the serial number sequence re-starts at 0001 for each model year.

Shown to the left are the positioning of V.I.N. labels on the Emira. Please note some of the label positions are market dependant.

	<p>Central Display From the centre display side bar, select > Global Settings and App Options > General > Car Information.</p>
	<p>Windscreen Attached to the dashboard, viewed from outside of the vehicle at the right-hand side of the windscreen.</p>
	<p>Chassis Stamped on the crossmember beneath the right-hand side seat, accessible with the seat moved rearwards.</p>
	<p>Fuel Tank Bay Printed label stuck to the floor below the front edge of the right-hand rear of the luggage bay. Pull back a flap in the carpet to view.</p>
	<p>Body Printed label on the passenger side door pillar.</p>
